Tuck snugly into carpeted stairs. Foam backed fabric conforms to stairs, allowing safe easy traffic flow.

Lightweight, easy to handle and comfortable underfoot

At last, you can save your carpets from traffic damage and wet weather without the hassle of stiff, bulky coverings. CarpetSaver is made of a soft, durable cotton blend foam-backed fabric that grabs debris and water so it won't be tracked around. Roll it out in seconds for temporary protection or leave it out to prevent wear in your busiest areas. There are no adhesives or bindings, so CarpetSaver can be easily cut to fit as needed.

BEIGE

Place on hardwood & tile flooring for ideal wet weather protection. Provides grip while absorbing water from shoes.

Absorbent • Washable • Attractive Clings to Carpet • Non-Skid

Take off your shoes and enjoy the feel!

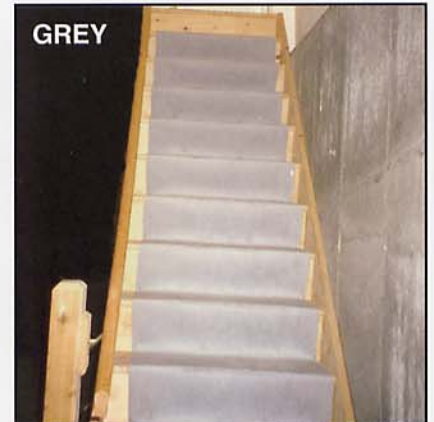

Keep your RV looking new! Perfect protection from the elements. Soft, attractive & easily cut to fit any area. Stows compactly.

Use It Season After Season!

Boat owners love it! Roll it out in seconds for service work, fishing, wet weather or while just cruising. CarpetSaver breathes so it won't trap moisture in carpet. Line counters and drawers to keep items from sliding.

GREY

Line unfinished wood stairs to basement & attic for a more comfortable, attractive surface. **Requires two tacks per step.**

Soft enough for kids and pets. Use as a mat for exercise, picnics, beach & camping.
